REGULATION FOR SESSIONAL EXAMINATION

All B. Pharm and D. Pharm students are hereby informed that sessional examinations will be conducted for each theory and practical course as per the schedule set by the college.

For B. Pharm students: Two sessional examinations shall be conducted. If a student is absent or performs poorly, they will have the opportunity to improve their performance by appearing for an improvement examination, with improvement examination fees.

For D. Pharm students: Three sessional examinations shall be conducted; average marks of two sessional examinations will be submitted for each subject.
